

## ENVIRONMENTAL POLICY

**EIDO MARKETING & LOGISTICS LIMITED** believes that our natural environment, which is of vital importance to all living things, must be protected at all times.

We shall, in pursuance of our technical objectives, recognize the significance of the environment by conducting our activities in such a way as to achieve maximum protection and prevention of pollution of the environment. We shall also put in place necessary measures aimed at rectifying the environment, when unavoidable damage is done.

Audit, inspections and walkthroughs of work areas shall form an integral part of our routine site audits to ensure the preservation of our working environment.

Environmental Impact Assessment (E.I.A.) shall be conducted on as-need basis. Prompt reporting, investigation and follow up of negative interference with the environment shall be effected without delay.

All workers shall participate in activities aimed at developing and sustaining awareness of the need to protect working environment.

The company shall ensure that it complies with relevant clients' and governmental regulations and legislations on the environment.
